NATIONAL SMALL BUSINESS WOMEN CHAMPION!

Nepean Regional Security from Penrith has been named Champion Services at the inaugural Australian Women's Small Business Champion Gala Dinner and Awards Ceremony, held on Saturday, 12th November at The Star Sydney, with over 1,000 guests in attendance.

For the first time, Precedent Productions is delighted to shine a dedicated spotlight on the high standard of excellence women in small business demonstrate across the nation.

"Excitedly, we're seeing more and more women create, and take up leadership positions throughout the small business community," said Steve Loe, Managing Director of Precedent Productions, and founder of the awards. "The time has come to accelerate visibility of the incredible entrepreneurial spirit that so many women in small business display. As such, an annual standalone program has been created to truly provide the recognition deserved.

Representatives of Nepean Regional Security received an award statuette, certificate and gained national recognition as an industry leader. In addition, having their passion, dedication, commitment, and hard work celebrated amongst their peers was an experience they will treasure for many years to come.

Small businesses from across Australia delivered a diverse and inspiring array of entries, with winners representing a broad cross section of industries from all states and territories.

The Awards are presented by the Commonwealth Bank, and supported by Awards Partners, Nine Plus, NOVA Employment, CUB – Club of United Business, Xcllusive Business Sales, Castaway Forecasting and Big Clean.

The Australian Women's Small Business Champion Awards has been proudly created and managed by Precedent Productions, a small business in its own right since their inception in 1991.
